PARTS LIST

Extended view mirror

TOOLS AND SUPPLIES REQUIRED

Flat-tip screwdriver

Shop towel

INSTALLATION

Customer Information: The information in this installation instruction is intended for use only by skilled technicians who have the proper tools, equipment, and training to correctly and safely add equipment to your vehicle. These procedures should not be attempted by “do-it-yourselfers.”

NOTE:

- Be careful not to damage the vehicle.
1. Insert the shop towel between the mirror holder and the door mirror visor to protect the vehicle as shown.

2. Insert a flat-tip screwdriver between the mirror holder and the actuator. Twist the screwdriver to release the hooks.

3. Remove the actuator from the new mirror holder.

4. Line up the new mirror holder with the actuator and press in place.

5. Lightly press the mirror holder in all directions to confirm it is installed securely.
