INSTALLATION

Customer Information: The information in this installation instruction is intended for use only by skilled technicians who have the proper tools, equipment, and training to correctly and safely add equipment to your vehicle. These procedures should not be attempted by “do-it-yourselfers.”

NOTE: Be careful not to damage the body finish.

1. Open the hood, remove the eight clips and four screws that fasten the front bumper. With the help of an assistant, remove the front bumper. To prevent damage, set the front bumper on a blanket.
