

INSTALLATION INSTRUCTIONS

Accessory OIL FILLER CAP	Application 2010 FIT MUGEN	Publications No. All 42198
		Issue Date JULY 2009

PARTS LIST

Oil filler cap

Oil filler cap emblem

INSTALLATION

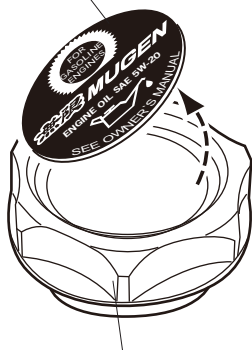

Customer information: The information in this installation instruction is intended for use only by skilled technicians who have the proper tools, equipment, and training to correctly and safely add equipment to your vehicle. These procedures should not be attempted by “do-it-yourselfers.”

NOTE:

- Allow the engine to cool down before installing this accessory.
- To allow the adhesive to cure, do not wash the vehicle for 24 hours.

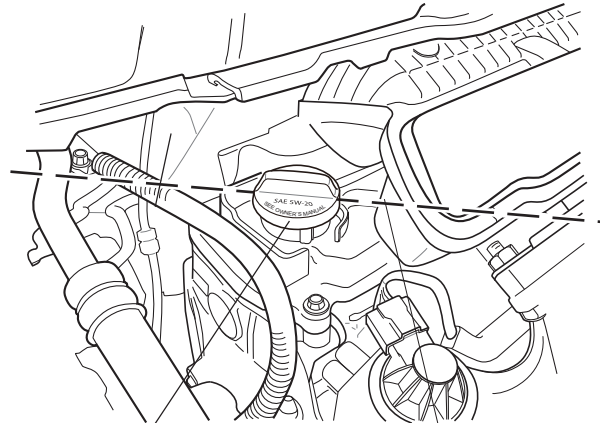

1. If attached, remove the oil filler cap emblem from the oil filler cap.

OIL FILLER CAP EMBLEM
(Remove if attached.)

OIL FILLER CAP

2. Open the hood, and locate the existing oil filler cap. Note the orientation of the writing on the oil filler cap.

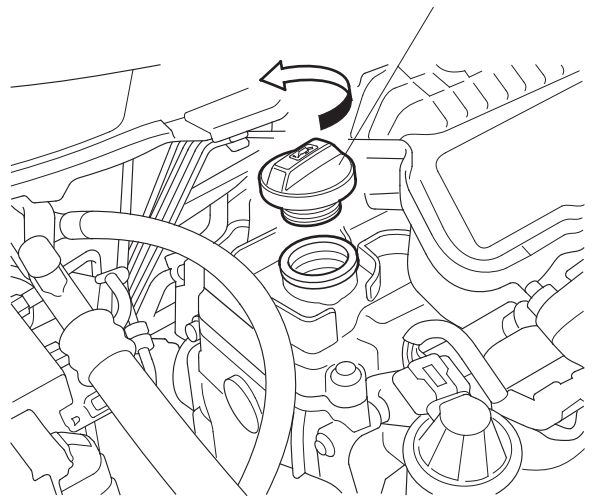

EXISTING OIL FILLER CAP
(Note the orientation with the cap tight.)

ORIENTATION LINE

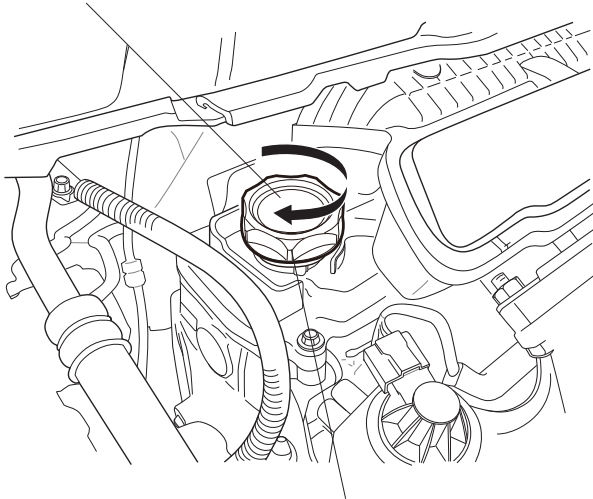

3. Remove the existing oil filler cap and set it aside; it will not be reused.

EXISTING OIL FILLER CAP
(Set aside.)

4. Thread the MUGEN oil filler cap onto the engine. Using isopropyl alcohol on a shop towel, clean the top of the oil filler cap where the oil filler cap emblem will attach.

Clean with isopropyl alcohol.

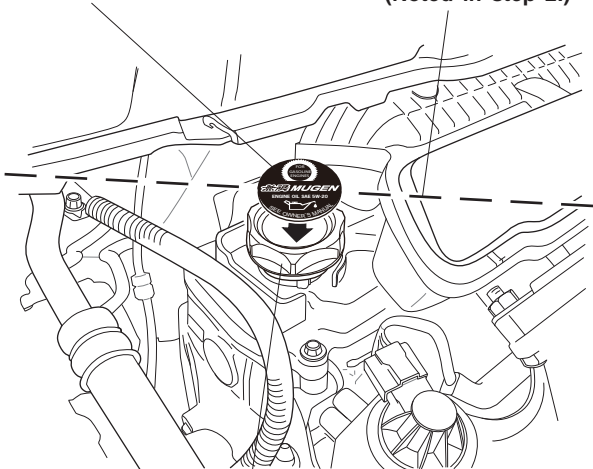

MUGEN OIL FILLER CAP
(Thread until tight.)

5. Recalling the orientation noted in step 2, remove the vinyl cover and the adhesive backing, then attach the oil filler cap emblem to the oil filler cap.

OIL FILLER CAP EMBLEM
(Attach at this angle.)

ORIENTATION LINE
(Noted in step 2.)
