Germain Honda of College Hills

Introduction

Thank you for purchasing this Honda accessory.

Please read this manual carefully before using the illuminated cargo sill trim. Keep it in the glove box for future reference.

This product is designed to be used exclusively on a Honda CR-V. Honda is not responsible if the product is used for anything other than its intended purpose.

This manual should be considered a permanent part of the vehicle. It should remain with the vehicle at all times and stay with the vehicle when sold.

A Few Words About Safety

Your safety, and the safety of others, is very important. Operating your vehicle's accessory safely is an important responsibility.

To help you make informed decisions about safety, we have provided operating procedures and other information on labels in the vehicle owner's manual and in this manual. This information alerts you to potential hazards that could hurt you or others.

Of course, it is not practical or possible to warn you about all the hazards associated with operating or maintaining your vehicle. You must use your own good judgment.

For your safety and safety of others, pay special attention to all warning symbols. Failure to follow the warnings contained in this manual can result in damage to your vehicle, serious injury, or death.

Warning Symbols

DANGER

You **WILL** be **KILLED** or **SERIOUSLY HURT** if you don't follow instructions.

WARNING

You **CAN** be **KILLED** or **SERIOUSLY HURT** if you don't follow instructions.

CAUTION

You **CAN** be **HURT** if you don't follow instructions.

NOTICE

You **CAN** damage your vehicle, other property or the environment.

How to Turn On the Light

The cargo sill trim lights will turn on when the tailgate is opened. They will turn off immediately when the tailgate is closed.

NOTE:

- In case the tailgate is left open while the key is pulled out of the engine switch or the engine switch (power switch) is OFF, the cargo sill trim lights and cargo lights may automatically turn off in a few minutes to protect the battery. (See the cargo lights section of the vehicle owner's manual for details.)
- Please contact your dealer if the cargo sill trim lights do not turn on.

Care and Safety Information

NOTICE

- Do not press strongly or rub the lights or metal plates of the cargo sill trim with a sharp edge or a heavy load, metal, gravel etc. It may scratch the surface or cause damage to the body of the vehicle. Please note that Honda assumes no responsibility for any such body damage after installation.
- Do not use solvents such as thinner or benzine. They may damage the vehicle.

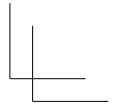

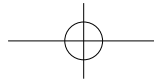

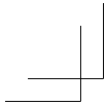

NOTE:

To clean the cargo sill trim, first wipe the dirt with a soft cloth dampened with a neutral detergent solution, and then wipe off with another soft cloth dampened with clean water.
