CENTER CONSOLE TRIM

4 RETAINING TABS

QF52402AG

3. If equipped, open the shutter.

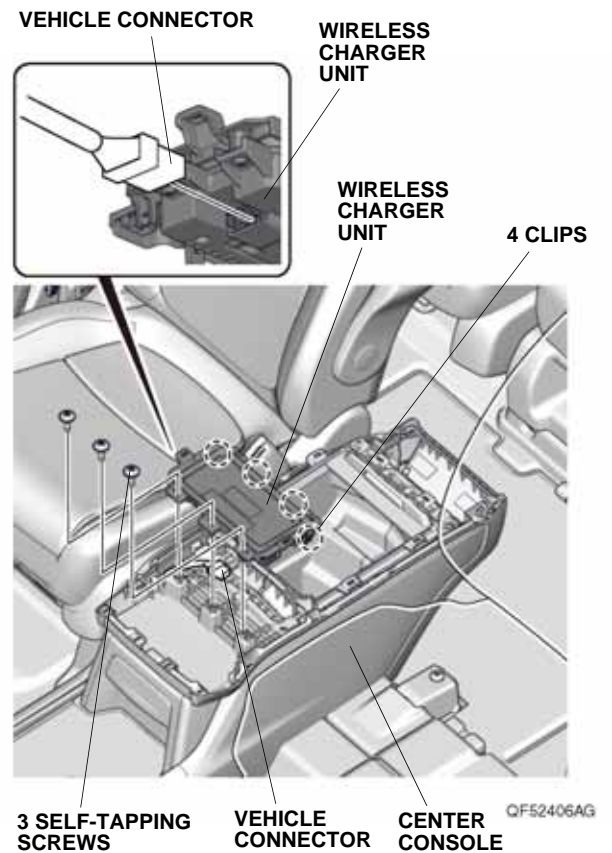

4. Remove the tray and unplug the vehicle connector.

5. Install the wireless charger unit on the wireless charger panel with four self-tapping screws.

6. Plug the vehicle connector into the wireless charger unit, and secure the wireless charger unit to the center console as shown.

7. Remove the eight clips from the center console trim shown, and install the eight new clips supplied in this kit as shown.

8. Install the center console trim.
9. Check that all wire harnesses are routed properly and all connectors are plugged in.
10. Install all removed parts except for the front bulkhead cover and the intake air tube.
11. Connect the negative cable to the battery.
12. Install the front bulkhead cover and the intake air tube.
13. Press and hold the audio unit power button for 2 seconds to restore the audio and navi (if equipped) system functions.
14. Set the clock on vehicles without navigation.
15. If necessary, restore the systems back to normal operation as described in the service information.

Check the Operation of the Wireless Charger

16. Check that the wireless charger works properly as described in the accessory user's information manual with this kit.
