3. If equipped, open the shutter.

QJ92003AA

4. Remove the tray and unplug the vehicle connector.

QJ92004BA

5. Remove the two clips and two clips (flat) from the tray, and install them to the wireless charger panel. NOTE: Make sure to install the clips in the correct position and orientation.

QJN1301BN

6. Install the wireless charger unit on the wireless charger panel with four self-tapping screws.

QJ92005AA

Germain Honda of College Hills

7. Plug the vehicle 7-pin connector into the wireless charger unit, and secure the wireless charger unit to the center console as shown.

8. Make sure none of the clips are broken. If a clip is broken, replace it with one of the clips supplied in this kit.
NOTE: Make sure to install the clips in the correct orientation.

9. Install the center console trim.
10. Check that all wire harnesses are routed properly and all connectors are plugged in.
11. Connect the negative cable to the battery.
12. Install the front bulkhead cover and the intake air tube.
13. Press and hold the audio unit power button for 2 seconds to restore the audio and navi (if equipped) system functions.
14. Set the clock on vehicles without navigation.
15. If necessary, restore the systems back to normal operation as described in the service information.

Check the Operation of the Wireless Charger

16. Check that the wireless charger work properly as described in the vehicle owner's manual.
