### FOR YOUR SAFETY (Read carefully.)

#### Warning Symbols

Safety: Your safety, and the safety of others, is important. To help you make informed decisions about service procedures, we have provided safety messages where appropriate. Of course, it is not practical or possible to warn you about all the hazards associated with servicing a vehicle - you must use your own good judgment.

You will find important safety messages preceded by one of the following symbols:

\*All symbols are not used in all installation instructions.

#### **DANGER**

You will be killed or seriously hurt if you do not follow the instructions.

#### **▲** WARNING

You can be killed or seriously hurt if you do not follow the instructions.

#### **CAUTION**

You can be hurt if you do not follow the instructions.

#### MOTICE

Gives advice to prevent damage to the product, vehicle, the environment or other property.

#### **★** NOTE

Gives helpful information or instructions to be followed when installing this product.

Indicates a prohibited action.

#### Procedure and Location Icons

These icons indicate the work location and the worker's point of view.

\*All icons are not used in all installation instructions.

The location on the vehicle.

The location in the vehicle. (Instrument panel.)
