**Please read this manual carefully before using the separation barrier. Keep it in the glove box for future reference.**

This product is designed to be used exclusively on a Honda PASSPORT. Honda is not responsible if the product is used for anything other than its intended purpose.

This manual should be considered a permanent part of the vehicle. It should remain with the vehicle at all times and stay with the vehicle when sold.

## **A Few Words About Safety**

---

Your safety, and the safety of others, is very important. Operating your vehicle's accessory safely is an important responsibility.

To help you make informed decisions about safety, we have provided operating procedures and other information on labels in the vehicle owner's manual and in this manual.

This information alerts you to potential hazards that could hurt you or others.

Of course, it is not practical or possible to warn you about all the hazards associated with operating or maintaining your vehicle. You must use your own good judgment.

For your safety and safety of others, pay special attention to all warning symbols. Failure to follow the warnings contained in this manual can result in damage to your vehicle, serious injury, or death.
