INSTALLATION

Customer Information: The information in this installation instruction is intended for use only by skilled technicians who have the proper tools, equipment, and training to correctly and safely add equipment to your vehicle. These procedures should not be attempted by "do-it-yourselfers."

NOTE:

- Be careful not to damage the body paint finish.
- This kit should be installed only if the ambient air temperature is 60°F (15°C) or above.

Germain Honda of College Hills

- To allow the adhesive to cure, do not wash the vehicle for 24 hours. Make sure the customer is aware of this.

Installing the Rear H Emblem

1. Attach masking tape along the rear H emblem as shown.

TAILGATE

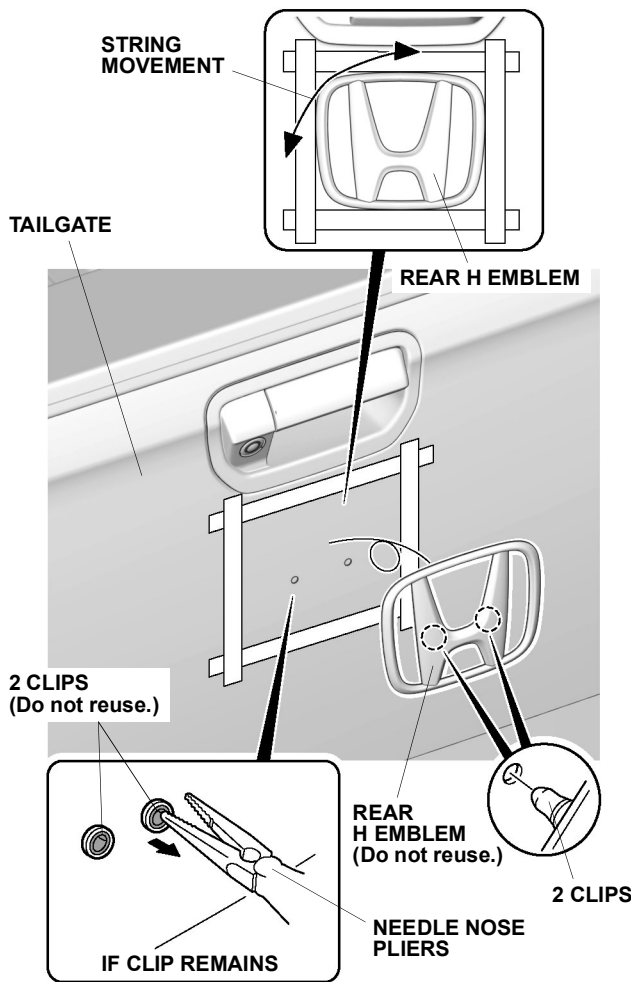

MASKING TAPE
